

Third Thursday Get Rid of Trash Campaign

The ***Third Thursday Get Rid of Trash Campaign*** is designed to assist in the collection, removal and disposal of large, heavy or cumbersome items provided by the City FREE of charge.

Each Third Thursday of every month, city crew will pick up items that are placed in the alley behind your property. If you do not have an alley, arrangements must be made to place items in front of your house along the curb.

All items must be placed beside trash containers and not blocking alleyways or streets. Similarly to Spring and Fall Cleanup and to meet County Landfill requirements, items must be separated into the following piles:

1.) metal 2.) wood 3.) cement 4.) tree limbs

Please bag small and lighter items to include grass clippings, twigs and loose yard waste or they will not be collected.

Items put in your dumpster will be picked up on your regular trash day, so please use your dumpster when possible.

The City of Leoti WILL NOT pick up tires during *Third Thursday Get Rid of Trash Campaign* unless tire disposal fees are paid in advance and special arrangements are made by contacting the Code Enforcement Officer at 620-214-2031.

WC Landfill Tire Disposal List:

\$1.50 Passenger Car ~ \$6.50 Passenger Car with rim ~ \$1.25 Motorcycle
\$2.50 18" + Car & Light Truck ~ \$7.50 18" + Car and Light Truck with rim
\$6.00 Truck ~ \$12.00 Super Single Truck

Items **WILL NOT** be picked up unless you have specifically requested by calling City Hall at 620-375-2341 and ask to be placed on the monthly pick up list and provide your address or property location and a description of unwanted item.

Spring and Fall Cleanup have been eliminated and the
Third Thursday Get Rid of Trash Campaign
is permanently available to the community on a monthly basis.

This service will only be provided to properties residing within City Limits.
